May we kindly ask and insist that you regard the following rules:

1. No fires for any reason on reserve property.
2. All buildings and all structures are private and not open for public use.
3. No swimming, boating or camping. No fishing, hunting or trapping.
4. No bushwacking or rock climbing. Use of trails around the Upper Ausable Lake is not permitted. Also, use of certain trails leading from the surrounding peaks to the Upper Lake is not permitted.
5. Foliage, trees, fungi, shrubbery and plants of all kinds must not be picked or removed.
6. No littering. Please carry out whatever you take in. There is no one to clean up after you leave.

Violators of these restrictions are subject to arrest and prosecution as trespassers.

The Adirondack Mountain Reserve and its members are not responsible or liable in any way for you or your property.
Please use great care at all times.

We welcome you as a hiker to share with us our private lands of the Adirondack Mountain Reserve.

We must work together to preserve these trails, streams and mountains as part of a wilderness area not only for ourselves but for all those who may follow us in the years ahead.
